Monday, monday week seems so long. Hopeless dull way life turns out wrong. Is it really this life's all about? Doing meaningless things.

I say it's not. Have fun!
Catch the glimpse in every eye you meet.
Have fun! Have fun!
And you'll walk around on easy feet.
A smile from you
could do miracles on every day but...

Monday, monday four more to go. Hope that someday, someday you'll know what to do. Will I ever learn what's in your mind? Take that grey shade away.

Have fun! Have fun!
Catch the glimpse in every eye you meet.
Have fun! Have fun!
And you'll walk around on easy feet.
A smile from you
could do miracles on every day...

Have fun! Have fun!
Catch the glimpse in every eye you meet.
Have fun! Have fun!
And you'll walk around on easy feet.
A smile from you
could do miracles on mondays too.

I've seen how people get affected.

Have fun! Have fun! Catch the glimpse in every eye you meet. osv tonas bort.
